How To Show Up To Class

Journal

Bring a journal to class!
Please acquire a journal dedicated to this lecture series. You will track your practices, and take notes in this journal. Journaling is an exceptional important part of your development, and you'll be grateful for being able to look back in the future.

Attitude & Behavior

Here are some basic guidelines:

Do your best to be on time.
Be mindful of everyone's time.
Stay positive and curious.
Be kind and aware of others.
Please mute yourself unless you have a question in class.
No bullying will be allowed.

Have an Open Mind

You will notice our philosophy is different than or contrary to others, we do not participate in Spiritual trends or trendiness. Because of this, we encourage you to come with an open mind.

We have no ambition to negate what you have learned so far, only to teach you what we have been given from Spirit Side, as received by our gifted clergy over many decades.

Support

Our Teachers Volunteer

At Chapel of Awareness, our Clergy, Ministers, and Board Members are all volunteers! In a perfect world we'd be available 24/7 for our students; but, alas, we are bound by biological time. Please give us time to respond when you reach out.

Technical Support

If you're having trouble getting into class for any reason, please send a message to 760.214.7087. You will get a reply ASAP!

Please reach out to our email if you have questions!

Financial Support

If you find yourself in a place where you are unable to pay for classes, please do not hesitate to reach out to request a scholarship. Although donations are important for us, we are adamant that finances do not prevent people from learning with us.
